2426 '00 JAN -6 A10:58 8-17-99

To: Jane Henney M.D.
Commissioner, U.S. F.D.A.

I am the mother of three young children and I am very concerned about the use of antibiotics in our food supply. We are not being careful with our current and future health. Please make wise and prudent choices in regard to antibiotic usage.

Thank you,

Cindy Chauvin
St. Louis, Missouri
