Dear Ms. Henney,

I am writing in support of CSPI's petition against sub-therapeutic uses of antibiotics in livestock. You already know the reasons why. You became a doctor to help people and, thank God, you are in a position to do just that! Please do whatever is necessary to protect the public that is uninformed or unable to take care of itself!!! Please do not falter in what may be your most important mission in life!

Thank you very much for your very valuable time!

Sincerely,

Margery Hughes
