Jane Henney, M.D.
Commissioner
Food and Drug Administration
5600 Fishers Lane
Room 1471
Rockville, MD 20857

Dear Dr. Henney:

There is a great problem allowing anti-biotics to be used to enhance growth in animals. The anti-biotic resistant diseases are a result.

Please follow the European Union's lead and take action immediately to ban animal uses of growth-inducing antibiotics used in human medicine.

Sincerely yours,
Dorothy Lutz
