Concerning Docket No. 00P-1211/CP,

To: Jane Henney

0239 '00 JUN 23 A10:01

Dear Madame,

I write to beg you to do all you can to require Genetically Altered Food labeling through the FDA. GMO's are as dangerous as nuclear war. By altering our food, we risk total starvation the risks to the unborn and the Environment are immeasureable.

Sincerely

C. 17HO
