Dear Ms. Butler

I am writing you in opposition to the National Cheese Institute petition to lower cheese standards. I am refuring to N.C.I. Docket No. (00P-0586) and the ADPI Docket No. (99-5158) I am opposed to any chang in F.D.A. section 133.3. I do not want wet or dry concentrated dairy ingredients substituted for milk. We should be raising standards not lowering them. Only large corporations and importers will gain at the expence of consumers and dairy farmers if standards are lowered.

Yours truly

Frank J. Baffi
