Rockville, Md. 20852

4023 '00 MAR 13 P12:04

Dear Commissioner Henney:

I believe it is to the best interest to the citizens of this Country to label Food Irradiation products, regardless of its extended shelf life. The same applies to Genetic Engineered products. I consider it a fundamental Principle, to have a right to choose my food selections.

Many thanks in advance for your Consideration.

Sincerely,

Richard A. Abel

RICHARD A. BEL

P.S. Pre-marketing safety test should be a prerequisite.
