Donna Shalala, Secretary, U. S. Dept. of Health and Human Services

re: Irradiation in the Production, Processing and Handling of Food

Dear Secretary Shalala: producers get away with enough as it is without government aid & approval.

I am concerned about the FDA's proposal to eliminate the labels from foods treated with radiation. I strongly believe I have a right to know if my food has been irradiated. I urge you to support the rights of citizens by maintaining permanent, prominent and precise labels for all foods treated by radiation.

What is wrong with telling it like it is?

Sincerely, Lester B Meads
