DEAR COMMISSIONER,

AS A HEALTH PRACTIONER I AM VERY CONCERNED ABOUT GENETICALLY ALTERED FOOD, IN THAT people WHO ARE ALLERGIC HAVE HAD SEVER REACTIONS TO FOOD THAT HAS BEEN genetically engineered.

I URGE you to force the LABELING of ALL foods, processed, packaged, dried, fried that ARE sold - stating that they CONTAIN genetically engineered food products OR that they are GMO FREE. THIS IS IN REGARDS to the BILL that HAS BEEN INTRODUCED IN Congress: the Genetically Engineered Food Right-to-KNOW HR 3377 Act

we have, AS citizens, the RIGHT to KNOW!

SINCERELY YOURS

Andrea Alexo
