5427 TO MAY -4 AM 8:51

To whom it may concern

I'm writing you to protest the fact that you want to remove the labeling of irradied foods to just including the statement in the list of ingredients. Its not responsible to not fully disclose what the public eating or having added to there food supply.

I don't understand why your doing sly things like this when your agency is supposed to be protecting the American Public

Sincerely

Diana K. Coad
