on the use of the word milk.
This is America... the land of freedom.
Please, Dr Henny, use your power and influence to make this happen. Thank you for your consideration.
Sincerely, Marsha [illegible]

Dear Dr. Henny,
I am writing to urge the FDA to allow non-dairy beverages to be labelled as "milk", and ask that the FDA require milk from cows to be labelled clearly as "cow's milk". We need to stop the dairy industry from having a monopoly
