5630 Fishers Lane - Room 1061
Rockville, MD 20852

Dear Commissioner Henney,

I am writing to urge you to request mandatory labeling of genetically modified foods so the public will be aware of such - and can decide whether or not to buy them!

Until these foods are thoroughly tested over an adequate period of time - we should be allowed to make our own decision about to buy or not to buy!

Thank you -
