Gentlemen:

I've been made aware of the fact that downed animals are commonly left to suffer for hours or days with no food or water, or veterinary care, and often die of neglect. Besides causing terrible animal suffering, the marketing of these animals poses a risk to human health.

Please grant Farm Sanctuary's petition to prohibit the slaughter

of doomed animals. The docket number is 98P-0151/CPI.

Thank you for whatever you can do to help put a stop to this cruel practice.

Sincerely,
Arlette Mann
