Dear Sirs: I am writing to
8245 '01 JAN 29 A10:40
you concerning downers.
I believe downers should not be forced into the food chain because they have suffered enough already and would not hurt the economy by being rescued, and brought back to health.
For people to know that their food was not gotten in suffering well make a big difference to thinking people.
Docket NO.
98P-0151/CP1

Yours Sincerely
