To Whom it May Concern,

Please prohibit the killing of downed animals. The docket number is 98P-0151/CPI. Maybe the animals have a disease. If you kill them and sell the meat, then a person will get the same disease as that animal. Another reason we shouldn't kill animals is because they don't hurt us. Why kill them if they don't hurt us?

Sincyerly,
Natalie Felida
