2) infect many people
Since it is impossible
to move downed animals
humanely they are pushed
with tractors or dragged
with chains this causes
injuries, broken bones &
pain. I am a person
who loves animals. Will
you please join us in
caring what happens to
these poor creatures. I
thank you for any help
you can show. L.C. Weiss

Sir, Refer to Docket
number 98P-0151/CPI
Please be kind enough
to think of us as part
9185 '01 FEB -1 A9:39
of your family. Remove
the market for downed
animals. Make sure that
animals are treated kindly
& with better care the
% of downed animals will
be less. Would you want
your child or grand children
to eat meat from downers
Imagine the infection &
illness that can & does
