Dear Sir or Madam,

I am writing to express my full support for Docket # 99P-4613 to ban the use of unhealthy and inhumane Bovine Growth Hormone on dairies.

01 FEB 27 12:46

BGH effectively doubles milk production, which sounds good, but is very painful for cows and is possibly unsafe.

Please act on Docket # 99P-4613.

Thank you,

Anne Wolfley
