Science and Regulation of Biological Products: From a Rich History to a Challenging Future; Public Symposium; Amendment

AGENCY: Food and Drug Administration, HHS.

ACTION: Notice of public symposium; amendment.

---

**SUMMARY:** The Food and Drug Administration (FDA) is announcing an amendment to the notice of public symposium entitled "Science and Regulation of Biological Products: From a Rich History to a Challenging Future." The public symposium was announced in the **Federal Register** of July 17, 2002 (67 FR 46993). The purpose of the symposium is to commemorate the 100th anniversary of the enactment of the Biologics Control Act, the first Federal law regulating biological products. The amendment is being made to reflect a change in the building location. There are no other changes.
