Agenda: The committee will discuss: (1) General issues on clinical trial design and endpoints; and (2) non-small cell lung cancer endpoints as a follow-up to issues discussed at an April 15, 2003, FDA workshop.

Procedure: Interested persons may present data, information, or views, orally or in writing, on issues pending before the committee.

Written submissions may be made to the contact person by December 9, 2003. Oral presentations from the public will be scheduled between approximately 10:30 a.m. and 11 a.m., and between approximately 2:30 p.m. and 3 p.m. Time allotted for each presentation may be limited. Those desiring to make formal oral presentations should notify the contact person before December 9, 2003, and submit a brief statement of the general nature of the evidence or arguments they wish to present, the names and addresses of proposed participants, and an indication of the approximate time requested to make their presentation.

Persons attending FDA's advisory committee meetings are advised that the agency is not responsible for providing access to electrical outlets.

FDA welcomes the attendance of the public at its advisory committee meetings and will make every effort to accommodate persons with physical disabilities or special needs. If you require special accommodations due to a disability, please contact Trevelin Prysock at 301-827-7001 at least 7 days in advance of the meeting.

Notice of this meeting is given under the Federal Advisory Committee Act
(5 U.S.C. app. 2).

Dated: 11/10/03
November 10, 2003.

Peter J. Pitts,
Associate Commissioner for External Relations.
