Washington, DC 20204

Dear Sir/Madam:

This is a notification pursuant to 21 U.S.C. 343(r)(6) that Standard Process Inc., Palmyra, Wisconsin 53156-0904, is making the following statements:

1. Chaste Tree has been used traditionally in Europe by women for a variety of common female conditions.
2. Clinical trials support its efficacy in addressing temporary headaches associated with the onset of menses.
3. The unique activity of Chaste Tree in supporting female hormone balance makes it an excellent choice before and during the menses.

These statements are made for a dietary supplement containing a blend of flavonoids (especially methoxylated flavones), iridoid glycosides (such as aucubin), and sesquiterpenes. Other ingredients include calcium acid phosphate, cellulose, hypromellose, magnesium stearate, silica, and sodium starch glycollate. The name of the product is Chaste Tree.

The information contained herein is accurate and Standard Process Inc. has substantiation that the statements are truthful and not misleading.

Sincerely yours,

Ann Holden
Standard Process Inc.
