Re: Docket Nos. 2006N-0062 and 2006N-0061

Dear Dockets Management,

I am writing to ask for an extension of time in which to submit comments to the two above-described dockets. Comments are due next Wednesday, March 14, 2007, and I will be out of town on a business trip next week and unable to file my comments in time. I think that I have a useful perspective on these issues, having worked on these issues at FDA, for a biotech company, and for patients who have sought compassionate use INDs. I would like, if possible, an extension until March 20, 2007 to submit my comments.

Thank you in advance for your consideration of my request.

Please do not hesitate to contact me if you have any questions. Because I will be "on the road" it might be best to e-mail me at marykpendergast@aol.com if you have any questions or concerns.

Sincerely,

Mary Pendergast
