Washington, DC 20204

Dear Sir/Madam:

This is a notification pursuant to 21 U.S.C. 343(r)(6) that Standard Process Inc., Palmyra, Wisconsin 53156-0904, is making the following statements:

- (1) The unique blend of proteolytic enzymes found in Zypan, plus betaine hydrochloride, bovine pancreas Cytosol™ extract, and ammonium chloride, help support proper digestion of proteins.

These statements are made for a dietary supplement containing a proprietary blend of betaine hydrochloride, pancreas Cytosol™ extract, pancreatin (3X), fatty acid, pepsin (1:10,000), ammonium chloride, bovine spleen, and ovine spleen. Other ingredients include cellulose, lactose, and calcium stearate. The name of the product is Zypan®.

The information contained herein is accurate and Standard Process Inc. has substantiation that the statements are truthful and not misleading.

Sincerely yours,

Ann Holden  
Standard Process Inc.
