Dear Sir/Madam:

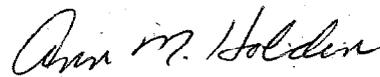

This is a notification pursuant to 21 U.S.C. 343(r)(6) that Standard Process Inc., Palmyra, Wisconsin 53156-0904, is making the following statements:

1. Calcifood is a unique product that contains all of the nutritional components (including bone marrow) that make bone living tissue.
2. Calcium can help maintain healthy bones for women of any age, but is particularly important as they approach menopause.

These statements are made for a dietary supplement containing a proprietary blend of defatted wheat (germ), carrot (root), date (fruit), veal bone, rice bran extract, and peanut (bran). Other ingredients include bovine bone, cellulose, honey, dicalcium phosphate, calcium stearate, and arabic gum. The name of the product is Calcifood®.

The information contained herein is accurate and Standard Process Inc. has substantiation that the statements are truthful and not misleading.

Sincerely yours,

Ann Holden
Standard Process Inc.
