Dear Dr. Kahl:

McLind Corporation wishes to notify the Food and Drug Administration that it has, within the past 30 days, commenced marketing a dietary supplement which bears a statement under Section 403(r)(6) of the Federal Food, Drug and Cosmetic Act.

The dietary supplement for which the statements are made is Dry Vitamin E. The dietary ingredient that is the subject of the statement is d-alpha tocopheryl succinate. The statement reads as follows:

"Vitamin E is a powerful, radical – scavenging antioxidant that is vital to the body for good health. Vitamin E protects individual cells in the body from oxidative damage."
"For Cardiovascular and Antioxidant Support."

This statement is accompanied by the required disclaimer, which is prominently displayed in bold-faced type.

This information contained in this notice is complete and accurate, and the above statements are based on data which renders these statements substantiated, truthful and non-misleading.

Sincerely,
McLind Corporation

Douglas McFarland, M.D.
Director, Product Development
