Washington, DC 20204

Dear Sir/Madam:

This is a notification pursuant to 21 U.S.C. 343(r)(6) that Standard Process Inc., Palmyra, Wisconsin 53156-0904, is making the following statements:

1. LivCo contains Schisandra fruit, Rosemary leaf and Milk Thistle seed. These herbs support the liver as it metabolizes circulating toxins and female hormones.
2. The breakdown of female hormones by the liver assists in alleviating symptoms normally associated with the menstrual cycle.

These statements are made for a dietary supplement containing a blend of Schisandra, Rosemary, Milk Thistle, dibenzocyclooctene lignans, phenolic diterpenes (including carnosol and rosmarinic acid), and flavonoids and flavanolignans. Other ingredients include calcium acid phosphate, cellulose, silica, sodium starch glycolate, hypromellose, and magnesium stearate. The name of the product is LivCo.

The information contained herein is accurate and Standard Process Inc. has substantiation that the statements are truthful and not misleading.

Sincerely yours,

A handwritten signature in cursive script that reads "Ann M. Holden".

Ann Holden
Standard Process Inc.
