Ref: **Thermojetics® Green Ephedra Free**

Dear Sir and/or Madam:

Pursuant to 21 CFR101.93, please be advised that Herbalife International of America, Inc. has begun commercializing Thermojetics® Green Ephedra Free.

Thermojetics® Green Ephedra Free is labeled and promoted with statements provided for in section 403(r)(6) of the federal Food, Drug and Cosmetic Act.

1. LABEL

This product contains no preservatives and no animal products.

2. HERBALIFE FACT SHEET

(Note: Immediately adjacent to the following copy, appears a ruled DSHEA disclaimer box.)

Thermojetics® Green Ephedra Free

Thermojetics® Green Ephedra Free can help. It contains a blend of carefully selected herbs and botanicals designed to increase energy, promote thermogenesis and help control appetite.* By increasing the rate at which your body burns fat and helping to curb appetite, Thermojetics® Green Ephedra Free allows you to overcome two important obstacles to weight-loss and to achieve results quickly, easily and safely.*

Thermojetics® Green Ephedra Free contains five herbal extracts that are scientifically proven to support weight-loss, including citrus aurantium (bitter orange extracts of fruit and peel), green tea, yerba maté, cocoa and Bioperine® (black pepper extract). These plant factors work synergistically to adjust metabolism at the cellular level so your body is able to burn stored fat more efficiently.* As it does, you not only lose weight faster, you also have more energy and feel better.*

Discussion Points

- **Faster fat burning.** Citrus aurantium (bitter orange) contains a substance known as synephrine, which increases the body's resting metabolic rate so that the body burns calories more efficiently.* Synephrine also increases the rate at which fat is released from the body's stores to be converted into energy.*
- **Natural appetite control.** Yerba maté tea extract is especially helpful for weight loss because of its thermogenic and appetite-suppressing properties.* Studies also show that it contains polyphenols, which support fat metabolism.*

975 0162

LET 8640

- Metabolic boost. Green tea has a thermogenic effect in the body, beyond the natural thermogenic activity associated with its caffeine content.* In addition, green tea contains substances called catechins, which have been shown to inhibit the body's fat-storing process.*
- Energizing cocoa. Cocoa (also shown as cacao) is the same plant from which chocolate is made. It contains alkaloids known to support the nervous system, improve energy and promote fat burning.* Cocoa is also a powerful antioxidant.*
- Enhanced absorption. Black pepper extract improves the body's ability to absorb nutrients from the digestive tract and enhances overall thermogenic activity.*

Fast Facts

- Helps your body burn fat faster.*
- Reduces hunger pangs that can lead to overeating and weight gain.*
- Acts as an energy booster without causing irritability and restlessness.*

3. PRODUCT BROCHURE

(Note: The asterisks appearing in the copy shown, relate to the rules DSHEA disclaimer boxes which are located on the same page of the product literature.)

Thermojetics® Green Ephedra Free

Introducing Thermojetics® Green Ephedra Free – another way to achieve your weight-loss goals, quickly, safely and permanently. This advanced formula contains a blend of carefully selected herbs and botanicals designed to increase energy, promote thermogenesis and help control appetite.* The new concentrated formula comes in an easy-to-swallow tablet and should be taken with Thermojetics® Beige. Used daily as part of the Thermojetics® Green or Gold Weight-Management Programs, Thermojetics® Green Ephedra Free helps support metabolism naturally.* The result is you have more energy and feel better as you do.*

Product literature prominently bears the required boxed statement, "These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease."

Herbalife International of America, Inc. certifies that the information in this notice is complete and accurate, and that the Company has substantiation that the foregoing statements are truthful and not misleading.

If you have any questions, please do not hesitate to ask.

Sincerely,

JPV:gf
