Re: Petition # 02P-0246/CP 1 (requesting interpretation of §§ 503(d)(3)(A)(i) and (ii))

I am writing to advise you that a new Chief Inspector of the Colorado State Board of Pharmacy has granted University of Colorado Hospital an extension on the above-referenced issue until the end of this year, December 31, 2002.

Therefore, both the Hospital and the Colorado State Board of Pharmacy continue to await your kind consideration of this matter, which is of such importance to the indigent population served by the Hospital. As always, please feel free to contact me directly with any questions or concerns.

Very truly yours,
