To Whom It May Concern:

Please be advised that our organization, Informed Parents Against Vapp, has decided to withdraw the petition we filed with the Food and Drug Administration on April 14, 1997 to provide a boxed warning in the labeling of the oral polio vaccine.

Since this vaccine is no longer produced in the US, and no longer recommended by the ACIP and AAP, the proposed warning is not required.

Sincerely,

John Salamone
President, IPAV
