Urgent For Review Please Comment Please Reply Please Recycle

Dear Mr. Smith,

As per our telephone conversation this morning the following is a copy of the letter I sent on August 29, 2001 requesting a renewal of the Variance FDA Docket # 82P-0007 Accession # 82A0020-09 for the Sharpe Planetarium at the Memphis Pink Palace Museum. Due to a shortage in staff in the Planetarium department I failed to notice that a renewal was never sent until yesterday and as you have told me the request was not acknowledged by your office.

I hope our renewal can be processed in a timely manner. If you need any further information or assistance from me, please contact me directly at the numbers or e-mail listed below. Thank you so much for your prompt assistance. It is greatly appreciated.

Respectfully,

Kathy Nix
