Re: Statements of Nutritional Support – Notification

Dear Sir/Madam:

This letter is submitted by Contemporary Nutrition, Inc. ("Contemporary Nutrition"), 7650 South McClintock Drive, #103-450, Tempe, Arizona 85284, to notify the agency that pursuant to Section 403(r)(6) of the Federal Food, Drug, and Cosmetic Act ("FFDCA"), 21 U.S.C. § 343 (r)(6), statements of nutritional support are being made for dietary ingredients contained in a dietary supplement marketed by Contemporary Nutrition as follows:

Sweet Jubilee

- Specifically designed to meet the nutritional needs of women throughout their reproductive cycle and through the transition of menopause, this formula features black cohosh, an herb used traditionally by Native Americans and over the last half century in Europe for natural relief of PMS and menopause symptoms.
- Relieves symptoms commonly associated with PMS and menopause, including hot flashes, irritability, night sweats and related sleeplessness.
- Includes soy isoflavones and important vitamins B-6, B-12 and folic acid commonly used for symptom relief and nutritional support.
- Nutritional support for relief of PMS and menopause symptoms.
- Provides relief for hot flashes, irritability, night sweats and related sleeplessness.
- Contemporary Nutrition's Sweet Jubilee addresses the specific nutritional needs of women throughout their reproductive cycle and through the transition of menopause.
- A specific blend of targeting ingredients assists in reducing uncomfortable symptoms associated with PMS and menopause.

- This proprietary formula was specifically designed to meet the nutritional needs of women who suffer from the symptoms of menopause and PMS.
- Experience natural relief of the uncomfortable symptoms often associated with PMS and menopause today!
- Helps relieve symptoms commonly associated with PMS and menopause.
- Designed to meet the needs of women of all ages, especially those looking for relief of symptoms commonly associated with PMS and menopause.
- Natural relief of hot flashes, irritability, night sweats and related sleeplessness.
- Sweet Jubilee features black cohosh, an herb used traditionally by Native Americans and over the last half century in Europe for natural relief of PMS and menopause symptoms.
- Vitamin B-12 – Along with folic acid, provides some of the necessary nutrients for DNA synthesis, nerve cell function and provides heart health benefits.
- Vitamin B-6 – This nutrient is needed by the body to make serotonin, melatonin and dopamine that are essential for the regulation of mental processes.

The disclaimer required by FFDC A § 403(r)(6) accompanies each statement of nutritional support.

The undersigned certifies that the information contained in this notice is complete and accurate, and that Contemporary Nutrition has substantiation that each statement of nutritional support is truthful and not misleading.

Very truly yours,

Tara Brooke
President
