Dear Sir:

This letter is to provide notification, within the prescribed 30 days of marketing, of 4 new product names, three of which will include a structure function claim. These products are herbal dietary supplements in either liquid or liquid phyto-cap form. The following is a list of the names and or structure claim.

Reflux Relief: Supports the Upper Digestive Tract

Glucosaforce:

Mothers Formula: Supports Mothers during Breast Feeding Years

Flu-Guard: Supports Healthy Immune Function

We have selected the names and structure function claims to not make or imply a disease claim and meet the requirements of 21 U.S.C. 343(r)(6)

Please call at 828-883-5938 if you need addition information or if you have any questions.

Sincerely,

James A. Grant
