The Order of November 13, 2003 in this proceeding modified 21 C.F.R. § 17.32 to require that written motions and responses thereto include a draft order. On April 2, 2004, Complainant, the Center for Devices and Radiological Health, submitted a Motion for Partial Summary Decision pursuant to 21 C.F.R. § 17.17, but failed to submit the required draft order. On April 7, 2004, Complainant filed a leave to amend its Motion for Partial Summary Decision.

By Order of April 8, 2004, Respondents were given until on or before April 16, 2004 to file a response in opposition to Complainant's motion for leave to amend its Motion for Partial Summary Decision. No response has been filed. Accordingly,

It is ORDERED that Complainant's leave to amend the Motion for Partial Summary Decision is hereby granted and that the draft order on the Motion for Partial Summary Decision is due on or before April 26, 2004.

It is further ORDERED, that any reply to the Motion for Partial Summary Decision is due on or before April 30, 2004.

Dated this 19th day of April, 2004.
