July 29, 2003

Dear Sir or Madam:

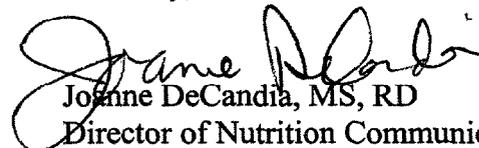

This letter will serve as a 30-day notification pursuant to Section 6 of the Dietary Supplement Health and Education Act of 1994 that NBTY Inc. is using the following statements on our Absorbable Calcium supplements under the Radiance label:

Ingredients: Vitamin D, Calcium

- Supports Bone Health
- Calcium is the primary mineral responsible for strong bones.
- The body also uses Calcium for proper muscle contraction and nerve function – and obtains this Calcium mainly from the bones.
- Because the body cannot produce Calcium, a balanced diet, regular exercise, healthy lifestyle choices and adequate intake of Calcium and Vitamin D can play a role in maintaining optimal bone health.
- Vitamin D assists in maintaining a healthy immune system.

The above statements are accompanied by the required disclaimer pursuant to Section 6 of the Dietary Supplement Health and Education Act.

Sincerely,

 Joanne DeCandia, MS, RD
 Director of Nutrition Communications
