Re: Docket No. 98P-0620/CP1

Dear Geoffrey:

Following up on our recent conversation, enclosed please find a copy of your Citizen Petition, dated July 20, 1998, and supplement dated February 26, 1999, with regard to Coradrone (amiodarone hydrochloride).

As we discussed, please review the petition and let me know whether Wyeth might consider withdrawing it, given its age and relevance.

If you do decide to withdraw it, please write a brief letter to that effect to my attention at:
