Re: Docket No. 2003N-0513 – Electronic Submission of Food Contact Notifications;  
Request for Participation

Dear Mrs. Butler:

Phoenix Regulatory Associates, Ltd. is submitting a formal request to participate in the Pilot Program for Electronic Submission of Food Contact Notifications. We met with some of the Center for Food Safety and Applied Nutrition officials and were told that we could apply even though we did not meet the December 26, 2003 deadline.

If you have any questions, please feel free to give me a call.

Sincerely,

C.K. Gund, Ph.D.
