

**NOTIFICATION PURSUANT TO**  
**SECTION VI OF DSHEA**

4108 '03 JUN 24 16:32

In compliance with Section VI of the Dietary Supplement Health Education Act (DSHEA) and Rule 21 C.F.R. 101.93, this Notification is filed on behalf of the following manufacturer of **Schiff Breast Health Formula, Products #11971 & S-3230** bearing the statement(s) set out below:

**Weider Nutrition International Inc.**  
**2002 South 5070 West**  
**Salt Lake City, Utah 84104**

The text of each structure/function claim is as follows:

Bottle:

**(Statement 1)** Citrus bioflavonoids, Green Tea Extract, Rosemary Extract and Selenium provide antioxidant actions to help protect cellular structures and DNA. Soy Isoflavones support the health and well-being of women.

Carton:

**(Statement 2)** Calcium D-Glucarate is a nutrient found naturally in the body, and is important for assisting in the removal of unwanted compounds from our systems.

Soy isoflavones support the health and well-being of women. They may also help to alleviate some of the symptoms associated with menopause (such as minor aches and mood swings).

Selenium is an essential trace element with a primary function of activating the major intracellular antioxidant enzyme glutathione peroxidase.

Schiff Breast Health offers optimal support for a proactive approach to women's overall health. Like most dietary supplements, Schiff Breast Health works gradually to help maintain breast health and promote feelings of well-being.

Breast Health Insert S-3668

**(Statement 3)** Schiff Breast Health provides a woman's body with a number of antioxidants and increased levels of Calcium D-Glucarate, a nutrient found naturally in the body, essential for assisting in removal of unwanted compounds from our systems. Additionally, Soy Isoflavones, Selenium, Citrus Bioflavonoids, Green Tea and Rosemary Extracts are added to help protect the body's cells from free radical damage and support the health of a woman's body.

NPI Sheet

**(Statement 4)** This formula combines the antioxidant benefits of soy isoflavones, rosemary extract, green tea extract, selenium and citrus bioflavonoids with patented calcium D-glucarate to support breast health. Glucarate helps remove unwanted compounds from the body and antioxidants protect the body from damage by free radicals.

Schiff Product Reference:

**(Statement 5)** Schiff Breast Health provides the patented ingredient Calcium D-Glucarate, along with a powerful combination of natural antioxidants, Selenium, Soy Isoflavones and Boron. All designed to help support women's breast health. Calcium D-Glucarate is a nutrient found naturally in the body, and is important for assisting in the removal of unwanted compounds from our systems. Soy Isoflavones support the health and well-being of women. They may also help to alleviate some of the symptoms associated with menopause (such as minor aches and mood swings). Selenium is an essential trace element with a primary function of activating the major intracellular antioxidant enzyme glutathione peroxidase. Boron plays a role in the healthy metabolism of calcium. Citrus Bioflavonoids, Green Tea extract and Rosemary extract provide antioxidant actions to help protect cellular structures and DNA.

I, Luke R. Bucci, Ph.D., CCN, CNS, Vice President of Research at Weider Nutrition International, Inc., am authorized to certify this Notification on behalf of the Company. I certify that the information presented and contained in this Notification is complete and accurate and that the Office of Regulatory Affairs at Weider Nutrition International, Inc. has substantiation that each statement is truthful and not misleading.

DATED this 10<sup>th</sup> day of June, 2003
