Re: **NOTICE OF FIRST MARKETING OF DIETARY SUPPLEMENT**

To Whom It May Concern:

This letter shall serve as notification of the first marketing of the dietary supplement, pH Control™, and its proprietary alkalizing compound, Alka-Plex™. The date of first marketing is June 5, 2003. A copy of the label being used is attached to this letter. The statements that are being made are:

- (1) *Helps reduce urinary acid*
- (2) *Specially developed Alka-Plex™ formula promotes bladder & urinary tract health*
- (3) *pH Control™ is a unique extended release formula that:*
  - *Promotes healthy bladder function*
  - *Supports urinary tract health*
  - *Helps reduce the acid in urine*
  - *Supports healthy body pH*

I, Melody K. Brown, certify that this information is complete and accurate, and that pH Sciences has substantiation that all statements listed above are truthful and not misleading.

Sincerely yours,

A handwritten signature in cursive script that reads "Melody K. Brown".

Melody K. Brown
