***Re: Health Claim Petition – (1) Calcium may reduce the risk of kidney stones;
(2) Calcium may reduce the risk of urinary stones; and (3) Calcium may reduce
the risk of kidney stones and urinary stones; Docket No. 2004Q-0102***

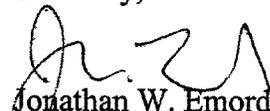

Dear Ms. Crane:

This letter is to notify the FDA that Marine Bio Co. Ltd. is now the petitioner to the above health claim petition, originally submitted by its wholly-owned subsidiary, Marine Bio USA, Inc.

Because of Marine Bio USA, Inc.'s pending dissolution, Marine Bio Co. Ltd., headquartered at 1 Kitanorimono-cho, Ikeda Bldg., 7th Floor, Chiyoda-ku, Tokyo 101-0036, Japan, is now handling all U.S. transactions directly from Japan.

Please do not hesitate to contact me if you have any further questions.

Sincerely,

Jonathan W. Emord
Andrea G. Ferrenz
