May 14, 2004,

Dear Dr. Walker,

This is in response to your letter of April 6, 2004. We made the following correction on the label claim for **Relazovac™**:

"Coptis is also historically known to ease conditions related to **insomnia**, nervousness, and anxiety.\*" has been changed to 'Coptis is also historically known to ease conditions related to **restless sleep**, nervousness, and anxiety.\*

The undersigned is an authorized representative of LIFEnhance, Inc. and certifies that the information contained in this notice is complete and accurate and the above statement is based on data, which renders these statements substantiated, truthful and non-misleading.

Respectfully submitted,
