Re: Phenylbutazone Powder  
Docket No. 2004P-0058/CP 1

Submission Type: Withdrawal of a Suitability Petition

Reference is made to our Suitability Petition dated January 29, 2004, for a Phenylbutazone Powder and a conversation with Dr. Norman Turner on February 24, 2004.

Per that discussion on February 24, 2004, we hereby request withdrawal of the suitability petition without prejudice to a future filing.

Sincerely,

Linda M. Duple  
Director, North America Regulatory Affairs
