RE: Notification of Nutritional Support Statements

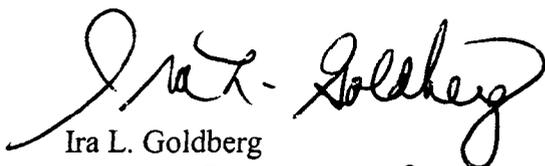

To whom it may concern:

I hereby notify the Food and Drug Administration (FDA) of the use of statements of nutritional support in the labeling of Green Tea Extract, a dietary supplement. Source Naturals® is the manufacturer of Green Tea Extract.

Statements being made in the labeling of Green Tea Extract

- 1) Source Naturals decaffeinated Green Tea Extract offers a convenient way to get the benefits of green tea in a highly concentrated form.
- 2) The extract is standardized for bioflavonoid-like antioxidants known as polyphenols, particularly (-)-Epigallocatechin Gallate (EGCG).
- 3) EGCG has been found in scientific studies to be a potent antioxidant.

To the best of my knowledge and belief, and based upon information available at the time of the execution of this notice, I certify that the above information is accurate and complete. Source Naturals® possesses substantiation that the statements are truthful and not misleading.
