December 14, 2004

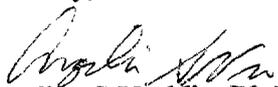

Dear Sir or Madam:

This letter will serve as a 30 day notification pursuant to Section 6 of the Dietary Supplement Health and Education Act of 1994 that NBTY Inc. is using the following statements on the Glucosamine/Chondroitin HP supplements under the PhysioLogics brand name.

- Helps promote healthy cartilage formation and support joints.
- This remarkable product combines two popular supplements to renew cartilage and promote joint health.
- For weekend athletes and mature adults alike, Glucosamine Hydrochloride and Chondroitin Sulfate work to cushion and lubricate joints, promote range of motion and revitalize connective tissue.

The above statements are accompanied by the required disclaimer pursuant to Section 6 of the Dietary Supplement Health and Education Act.

Sincerely,

Angelica S. Vrablic, Ph.D.
Manager, Nutrition Research
