RE: Notification of Nutritional Support Statements

To whom it may concern:

I hereby notify the Food and Drug Administration (FDA) of the use of statements of nutritional support in the labeling of Alpha Lipoic Acid, a dietary supplement. Source Naturals® is the manufacturer of Alpha Lipoic Acid.

Statements being made in the labeling of Alpha Lipoic Acid

- 1) *Alpha*-lipoic acid is a powerful fat and water soluble antioxidant.
- 2) It directly recycles vitamin C and indirectly recycles vitamin E, providing additional antioxidant protection.
- 3) It is also an important component in the glucose metabolism process within cells.

To the best of my knowledge and belief, and based upon information available at the time of the execution of this notice, I certify that the above information is accurate and complete. Source Naturals® possesses substantiation that the statements are truthful and not misleading.
