FEB 16

Dear Sir/Madam,

This letter serves as a 30 day notification pursuant to Section 6 of the Dietary Supplement Health and Education Act of 1994 (DSHEA), that Lyons Health Products is using the following statement on the label of PAANI Minerals Supplement (dietary ingredients: calcium citrate, calcium phosphate, glycine & citric acid). This statement is accompanied by the required disclaimer. To the best of my knowledge, the information contained in this notice is complete and accurate.

Research has shown that inadequate phosphorus intake could limit the benefits of supplemental calcium in supporting bone health. Paani supports strong bones by providing both calcium and phosphorus.

Sincerely,

Rifat Parvez, Ph.D.
President
