To Whom It May Concern:

Nature's Way Products, Inc. wishes to notify the Food and Drug Administration that it has, within the past 30 days, commenced marketing a dietary supplement which bears a statement under Section 403(r)(6) of the Federal Food, Drug and Cosmetic Act.

The dietary supplement for which the statement is made is Vitamin E Tocopherols. The dietary ingredients that are the subject of the statement are Vitamin E and Vitamin E Tocopherol Complex. The statement reads as follows:

"Vitamin E Tocopherols contain all four tocopherol isomers from a natural source, providing synergistic antioxidant benefits against damaging free radicals."

This statement is accompanied by the required disclaimer which is prominently displayed in bold-faced type.

The information contained in this notice is complete and accurate and the above statement is based on data which renders these statements substantiated, truthful and non-misleading.

Sincerely,

NATURE'S WAY PRODUCTS, INC.
