Re: Dietary Supplement Statement of Support Notification

To Whom It May Concern:

Fitness Labs Nutrition Corporation, P.O. Box 3896 Torrance, CA 90510-3896, who is the distributor of the following dietary supplement product, intends to make the following statement(s) of support:

“For a Strong, Healthy Body and Heart**”

“The amino acid L-Arginine is a key component of the nitric oxide (NO) pathway. Nitric oxide, a naturally occurring substance in your body, increases blood vessel diameter, which improves the flow of blood, oxygen and nutrients to the muscles and heart. This results in increased exercise capacity, endurance and recovery.*”

These claims are being made for a product named Fitness Labs® L-Arginine. This submission is being made in compliance with 21 CFR §101.93.

The undersigned is an authorized representative of the Fitness Labs Nutrition Corporation and certifies that the information contained in this notice is complete and accurate, and that Fitness Labs Nutrition Corporation has substantiation that the above statement(s) is (are) truthful and not misleading.
