To whom it may concern:

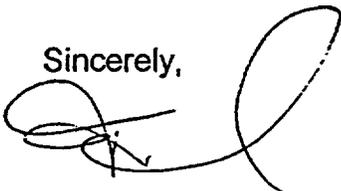

In compliance with FDA regulations and in particular FFDC 8201 (g) (1) (C) we are notifying the FDA of a claim made for our product Libido. We are writing this letter to also conform to the FDA requirement that all product claims must be reported within 30 days after the first marketing of the dietary supplement.

We have enclosed a sample of the packaging for our product Libido for your files. The claim written on the box is as follows:

"Use of Libido may help maintain sexual function. This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease."

If you have any questions with regard to the foregoing please do not hesitate to contact this office.

Sincerely,

Tyler Townend,
President
