Dear Dr. Tanner:

Subject: Notification of Dietary Supplement Claims/Sanimpex

Thank you for your letter dated June 24, 1996, commenting upon two dietary supplement claims. The manufacturer, Sanimpex, has revised the brand names and/or product claims as follows:

Bioseve 17/Joint Functions: Dietary supplement to nutritionally support normal joint and muscle function.

Bioseve 29/Resistance: Dietary supplement to nutritionally support normal immune system functions.

Please comment upon the acceptability of these claims under section 403(r)(6) of the FFDC. Sanimpex does not wish to be subject to the drug provisions of the FFDC. Thanks for your assistance.

Sincerely yours,
Bruce EnviroExcel Group, Inc.
