Dear Dr. Kahl:

Pursuant to Section 6 of the Dietary Supplement Health and Education Act of 1994, NaturaLife Corporation wishes to notify the Food and Drug Administration that it has within the past 30 days, commenced marketing a dietary supplement which bears a statement of nutritional support.

The dietary supplement for which the statement is made is Tonalin CLA. The dietary ingredient that is the subject of the statement is conjugated linoleic acid. The statement of nutritional support reads as follows:

"Helps reduce body fat & increase muscle tone. Tonalin CLA has been shown to help reduce body fat and increase muscle tone in preliminary studies."

This statement is accompanied by the required disclaimer which is prominently displayed in bold-faced type.

This statement of nutritional support is based on data which renders these statements substantiated, truthful and non-misleading.

Sincerely,

NATURALIFE CORPORATION

Gordon M. Walker
