Dear Sir/Madam,

[In accordance with the Food & Drug Cosmetic Act 21 CFR Section 101.93, the statement(s) for dietary supplements listed below have been included as labeling for the following product:

Dr. Art Ulene's Herbal Formulas™ Echinacea

Statement(s):

Immune System Enhancer

The echinacea plant has been used by centuries by Native Americans to increase the body's natural defenses.

Scientific studies show that echinacea contains several natural plant chemicals (phytochemicals) that may stimulate the body's own immune system.

I certify that the information contained in this notice is complete and accurate and we have substantiation that these statements are truthful and not misleading.
