Office of Special Nutritional (HFS-450)  
Center for Food Safety and Applied Nutrition  
Food and Drug Administration  
200 C Street, S.W.  
Washington, D.C. 20204

To Whom It May Concern:

Pursuant Section 403 (R) (6) of the Federal Food, Drug and Cosmetic Act (FDC Act), this will serve as a notice that we will be making the following statement of nutritional support in the labeling for our product, "Creatine Blast™": "Creatine may give your workouts a boost by increasing the availability of useable energy (ATP) in the muscle. Creatine provides nutritional support for the body's normal production of ATP."

Sincerely,

Mark Bartlett Ph.D.  
Technical Specialist  
Sports Nutrition Product Management Team  
Product Development Department
